Cottingham & Butler has partnered with FEDlogic to provide state and Federal benefits information and advocacy to you and your household members. As you explore all your options with COBRA, there may be additional options for you and your family. The service is **confidential, unlimited, and free.**

UNDERSTAND YOUR TRUE OPTIONS

When you become eligible for COBRA, you want to make sure you're making the best possible decisions for yourself and your dependents. Often, people eligible for COBRA may be eligible for alternative healthcare options, such as Medicaid, Medicare, or a Healthcare.gov plan, potentially with a subsidy!

LEARN ABOUT ADDITIONAL RESOURCES

A consultation with a FEDlogic expert can help you understand which healthcare option is best for your personal circumstances. Additionally, they can help identify additional resources available in your area, and based on the circumstances of you and your dependents.
